

MADERA

studio

The 63 × 63 Collection

FROM THE GROUND UP.

Five stone surfaces. One grand format.

At more than five feet square, this is porcelain at the scale of slab — single pieces that carry a wall, wrap an island, or lay a floor with almost no interruption. The collection holds two moods: open, veined marble in bright and cloud-soft whites, and refined concrete in three quiet tones. Every surface is rectified for minimal, nearly imperceptible joints.

Gran Calacata	MARBLE	Matte · Polished
Kronos Concrete	CONCRETE	Matte
Kronos Greige	CONCRETE	Matte
Kronos Off White	CONCRETE	Matte
Nuage	MARBLE	Matte · Polished

The Collection

PORCELAIN · 63 × 63

Gran Calacata brings the classic drama of Calacatta veining to a grand square, in matte or a high-gloss polish that deepens the veins. Kronos answers with softened concrete in three tones — off white, warm greige, and true concrete grey — while Nuage closes the range with soft grey veins that drift like clouds across a quiet white ground.

Gran Calacata 63" × 63"
Bright White · Matte · Polished

Kronos Concrete 63" × 63"
Concrete Grey · Matte

Kronos Greige 63" × 63"
Warm Greige · Matte

Kronos Off White 63" × 63"
Off White · Matte

Nuage 63" × 63"
Cloud White · Matte · Polished

Specifications

63 × 63 COLLECTION

COLOR	LOOK	SIZE	FINISH	STONE
Gran Calacata	Marble	63" × 63"	Matte · Polished	Bright White
Kronos Concrete	Concrete	63" × 63"	Matte	Concrete Grey
Kronos Greige	Concrete	63" × 63"	Matte	Warm Greige
Kronos Off White	Concrete	63" × 63"	Matte	Off White
Nuage	Marble	63" × 63"	Matte · Polished	Cloud White

All 63" × 63" (160 × 160 cm) grand-format tiles are rectified porcelain suitable for floor, wall, and countertop installation. Gran Calacata and Nuage are offered in both matte and polished finishes; Kronos is a matte surface rated for indoor and outdoor use. Tile is a natural-look product with intentional shade and pattern variation — final selection should be confirmed from physical samples in our showroom. Availability subject to change; please verify technical details against the current price list at time of order.
